REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors and Stockholders
Painter Smith and Amberg Inc.

We have audited the accompanying statement of financial condition of Painter Smith and Amberg Inc. (Company) as of December 31, 2014, and the related statements of income, stockholder's equity, and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Painter Smith and Amberg Inc. as of December 31, 2014, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was made for the purpose of forming an opinion on the financial statements as a whole. The information contained in Schedule I is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM
(continued)

The information in Schedule I has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with the standards of the Public Company Accounting Oversight Board (United States). In our opinion, the information in Schedule I is fairly stated in all material respects in relation to the financial statements taken as a whole.

Notes to Financial Statements

1. Description of the Company

Painter, Smith, and Amberg Inc. (the Company) is a securities broker-dealer registered with the Securities and Exchange Commission (SEC). The Company provides agency transactions for customers, buys and sells for their own account, and offers financial advisory services. The Company operates as a nonclearing broker-dealer on a fully-disclosed basis and, therefore, does not carry customer accounts on its books. Although the Company clears all of its customers' transactions through a single broker-dealer, management believes that alternative sources are available to perform this service on comparable terms.

2. Summary of Significant Accounting Policies

Use of Estimates

The preparation of these financial statements requires management to make estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets, liabilities, revenues, and expenses, as well as the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent Events

Management has considered events occurring through February 15, 2014 in its evaluation of the conditions on which estimates were based or for changes in conditions subsequent to the balance sheet date which should be disclosed. The financial statements were available to be issued at this date.

Fair Value

Fair value is the amount for which an asset could be exchanged or a liability settled between knowledgeable, willing parties in an arms' length transaction. The Company carries its marketable securities at fair value. The fair value of marketable securities is measured using quoted prices in an active market (Level I inputs).

Marketable Securities

Securities transactions entered into for the account of the Company are recorded on a trade-date basis.

Equipment and Leasehold Improvements

Equipment and leasehold improvements are stated at cost less accumulated depreciation and amortization. Depreciation is provided using straight-line and accelerated methods over the estimated useful lives of the assets. Additions and major improvements are capitalized, while expenditures for maintenance, repairs, and minor improvements are expensed as incurred. Leasehold improvements are amortized using the straight method over thirty-nine years. Useful lives range from three to seven years.

Revenue Recognition

Commissions on customers' transactions are reported on a settlement date basis. Investment advisory fees are recognized as earned on a pro rata basis over the term of the contract.

Painter, Smith, and Amberg Inc.

Notes to Financial Statements

2. Summary of Significant Accounting Policies (Continued)

Income Taxes

Income taxes are recognized as transactions are reported in the financial statements and consist of taxes currently due plus deferred taxes. Deferred income tax assets and liabilities are recognized for the future tax consequences of temporary differences between amounts reported for financial statement purposes and amounts as measured by income tax laws and regulations. Furthermore, deferred tax assets are recognized for income tax carryforwards. The Company evaluates the likelihood of realizing future benefits of deferred income tax assets and provides a valuation allowance when it is more likely than not that some or all of deferred income tax assets will not be realized.

3. Marketable Securities

Marketable securities consisted of the following:

Obligations of United States government	\$ 274,997
Money market funds	<u>736</u>
	<u>\$ 275,733</u>

4. Equipment and Improvements

The following is a summary of equipment and improvements:

Equipment	\$ 241,471
Leasehold improvements	<u>38,005</u>
	279,476
Less accumulated depreciation and amortization	<u>(219,787)</u>
	<u>\$ 59,689</u>

5. Retirement Plan

The Company has a defined contribution plan for substantially all of its employees. Contributions to the plan are at the discretion of management. The Company did not make a contribution to the plan for 2014.

Painter, Smith, and Amberg Inc.

Notes to Financial Statements

6. Income Taxes

The income tax expense consisted of the following components at December 31, 2014:

	Federal	State	Total
Current expense	\$ 3,449	\$ 800	\$ 4,249
Deferred expense (benefit)	(150)	2,016	1,866
Change in valuation allowance	3,418	(302)	3,116
Income tax expense	<u>\$ 6,717</u>	<u>\$ 2,514</u>	<u>\$ 9,231</u>

The provision for income taxes differs from the amount which would be computed by applying the federal statutory income tax rate to pretax accounting income because of the effect of graduated tax rates, the inclusion of state income taxes, the effect of nondeductible expenses, and the change in the valuation allowance on deferred income tax assets.

The Company established a valuation allowance for deferred income taxes attributable to charitable contribution carryforwards because the future use of the carryforwards is uncertain.

Deferred income taxes are attributable to temporary differences in reporting certain items of income and expense for financial statement and income tax purposes. These differences are primarily related to depreciation and rent expense. Furthermore, deferred income tax assets have been recognized for federal and state carryforwards. In considering the possible realization of deferred income tax assets, the Company considers various sources of future taxable income and the reversal of temporary differences associated with deferred tax liabilities.

The Company's total deferred income tax assets and liabilities and valuation allowance were as follows at December 31, 2014:

	2014
Total deferred income tax assets	\$ 15,563
Less valuation allowance	<u>(6,285)</u>
Deferred income tax assets	9,278
Total deferred income tax liabilities	<u>(4,286)</u>
Net deferred income tax assets	<u>\$ 4,992</u>

The Company had neither unrecognized tax benefits during the year nor any interest or penalties on unrecognized tax benefits. The Company is subject to tax examination for federal taxes for 2010 and later years and for California taxes for 2010 and later years.

At December 31, 2014, the Company has net operating loss carryforwards for state purposes of approximately \$87,000 that expire beginning December 31, 2029.

Painter, Smith, and Amberg Inc.

Notes to Financial Statements

7. Lease Commitments

The Company leases its office facilities under a noncancellable agreement which expires in 2022. Lease expense for all operating leases for 2014 totaled \$169,244. The annual future minimum lease payments at December 31, 2014 are as follows:

2015	\$ 114,660
2016	118,188
2017	121,716
2018	125,244
2019	128,772
Thereafter	<u>411,012</u>
	<u>\$ 1,019,592</u>

8. Net Capital Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1) which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital (as defined) shall not exceed 15 to 1 and also provides that dividends may not be paid if the resulting net capital ratio would exceed 10 to 1. At December 31, 2014, the Company had net capital of approximately \$439,099, which was \$189,099 in excess of its minimum required net capital of \$250,000.

9. Litigation

In 2014, the Company was sued by a former employee for wrongful termination and defamation of character. Although the Company believes the case has no merit and intends to defend itself vigorously, it is not possible at this time to determine whether any loss will be incurred as a result of this lawsuit.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors and Stockholders
Painter Smith and Amberg Inc.

We have reviewed management's statements, included in the accompanying Management's Statement Regarding Compliance with Certain Exemption Provisions Under Rule 15c3-3 of the Securities Exchange Act of 1934, in which (1) Painter Smith and Amberg Inc. (Company) identified the following provisions of 17 C.F.R. §15c3-3(k) under which Painter Smith and Amberg Inc. claimed an exemption from 17 C.F.R. §240.15c3-3:(2) (ii) (exemption provisions) and (2) Painter Smith and Amberg Inc. stated that Painter Smith and Amberg Inc. met the identified exemption provisions throughout the most recent fiscal year without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the conditions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
